Why Executive Communication Stands Out from the Rest.

ü **We are Specialized and Focused.**

There is no comparison. As far as the Language Training is concerned, we are not just another language school specializing in teaching children that claims to teach Business English to adults as well.

ü **A Program that is Tailored to You.**

Our extensive experience working for major multinational corporations has

lead us to formulate a programs and materials that are all geared towards your

functional business needs. We target individual or group requirements and

execute a program which will bring you quickly and effectively to your goal.

ü **Our People Make the Difference.**

Our trainers are all university educated, native speakers with Business backgrounds. This allows them to be sensitive to the needs and daily demanding schedules of modern executives. In addition, our trainers are constantly kept up to date on the latest training methods, technologies and modern business developments.

ü **Our Quality is Second to None and Guaranteed.**

We ensure our ongoing quality and accountability through a proven.

ü **Quality Assurance Methodology.**

Personal attention and a close collaboration are provided by an assigned Relationship Manager that supervises your program of study and delivers detailed reporting.

ü **We Deliver What Matters, Results!**

Our programs are both cost effective and efficient because they create visible results in less time than any other classic language school. They are healthy for your training budget because we deliver more than what other training firms take years to do due to lack of focus, measurable results or clear targets and deadlines.

ü **Your Company will maximize the value of its training budget by gaining much more than just basic Language Training.**

ü **We Stand Behind Our Claims Fully. Don’t just take our word for it. Let us Prove it to you.**
